2020 Harambee Calendar

The calendar proverbs are traditional of the Swahili language

IKSDP (International Kenya Scout Development Project) is a non-profit organization (Self Help Project) recognized by the Kenyan government and promotes the **Harambee Gwasssi Project**, finalized at developing the community of Nyandiwa, Kenya. The aim is to encourage the development in the areas surrounding Lake Victoria. **IKSDP** refuses any kind of welfarism and sustains the relevant role played by working together with the population through sustainable and repeatable micro-projects that enhance local resources and local culture.

'Harambee' in Swahili language means "work together". With this spirit, the Project works to share needs analysis, to plan together things to do, to establish bonds of friendship, to spread a peaceful mindset without any prejudice. In fact, the aim of the interventions is, first of all, to promote community self-development, through educational actions, respecting the dignity of the person and the experience of the local population.

Thank you to all our supporters for invaluable help!
