Let's retrace the past year with pictures, a difficult 2021 that we have faced with the spirit that has distinguished us since 1983, the year the project started.
"HARAMBEE" - "WE WORK TOGETHER".

In January it finally starts again after ten months of rest due to floods and pandemics. The completely renovated classrooms welcome the children of our kindergarten thanks to the generosity of the friends of IKSDP. The teachers teach the children the basic subjects for primary education: lessons in English, mathematics, social studies and drawing.
