Let's retrace 2023 together through pictures: a complex year that we have faced with the spirit that has distinguished us since 1983 and it is with great pride that in this 2023 we celebrate forty years of the project. 'HARAMBEE' 'WE WORK TOGETHER'

Happy Birthday **IKSDP-Harambee Project!** **Forty** years of dreams, achievements, commitments for a better future. Whites and blacks, Europeans and Africans, dreaming together and working for a more dignified life. We have shared successes and failures without ever getting tired of looking ahead. Thus a small fishing community of Lake Victoria, Nyandiwa in Kenya, has grown over time to become a large multi-ethnic community of about 30,000 inhabitants, well integrated and constantly growing. IKSDP dreams and projects continue. Appointment on January 25 for the next important achievement: IKSDP- Junior Mixed Secondary School. Thanks to the many volunteers and friends who supported us. **CONGRATULATIONS!!!**

**IKSDP- Junior Mixed Secondary School.**

Secondary school has started!  
**WELCOME** to the first students.  
 A school (boarding and day) that adopts the new educational system Kenyan which includes a training course based on the acquisition of skills and knowledge  
 (CBC-Competency Based Curriculum)
